

Joe Christian C. Lina

+63 09157804345 15-58 A Martin Street Tugatog Malabon City
joechristianlina0320@gmail.com

Technical Skills

Web Development: HTML, CSS and JavaScript
Programming Languages: Java, Python, Visual Basic, C and C++
Database: Xampp MySQL
Developer Tools: Git, Github, Visual Studio Code, Netbeans

Familiarity with:

- **Desktop UI Frameworks:** Java Swing, Visual Basic UI
- **Frontend Frameworks:** React JS

Projects

Porfolio:

Link: https://juwojoki0320.github.io/Lina_Portfolio/

Ongoing Project:

EZMinutes: Minutes of the Meeting Transcriber using NLP

- A python AI project, developing a capstone project which transcribes with diarization that allows editing for the generation of the summarization of minutes, extracting ideas and topics.

Other Projects:

BaybayinEye: Baybayin Character Recognition and Translation

- A python machine learning project, translates baybayin characters or words into tagalog words.

User interface clone of Spotify, Netflix and Disney plus

- Created a UI clone of Spotify, Netflix, and Disney+, including the homepage and movie browsing areas. This project allowed me to experiment with complex CSS styling, build image carousels, and learn how to optimize user interfaces for different screen sizes.

Simple Digital Clock and Calculator

- using HTML, CSS and JavaScript

Simple Visual Basic Cinema Reservation System

- Implemented user interface and XAMPP MySQL database

Simple CLI C++ Point of Sale System

- with file handling as database

Java Point of Sale system

- with user interface using Java swing framework and file handling as database

Who wants to be a billionaire quiz project

- using Visual Basic UI framework

Education

Bachelor of Science in Computer Science (BSCS)
Technological University of the Philippines – Manila

- Dean’s and President list Academic Achievement Award
- Capstone/Thesis Project: EzMinutes: Minutes of the Meeting Transcriber using NLP

Senior Highschool Information and Communications Technology (ICT)
University of the East Caloocan

- First Placer Achievement Award, Visual Basic Duo programming

Certifications

- C, C++, Java and Python Learning Course, Udemy Sara Academy – December 2024
- JavaScript and PHP Complete Learning Course, Udemy Sara Academy – December 2024
- Data Science Learning Course, Cisco Networking Academy – September 2023
- Python Essentials 1 Learning Course, Cisco Networking Academy – September 2023

Internships

University of the East Caloocan

- **(Work Immersion) Robotics and IT support (2019 - 2020)**
